DETAILED ACTION

Claim Rejections - 35 USC § 112

1. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

2. Claim 29 is rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Claim 29, lines 1-2, "the detachable connection" lacks proper antecedent basis. It is believed that this claim should depend from claim.28.

Claim Rejections - 35 USC § 102

1. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

2. Claims 7, 8, 11-13, 21, 25, 33, and 37 are rejected under 35 U.S.C. 102(b) as being anticipated by Leonhardt et al. (6,092,959).

Leonhardt et al. disclose a movable bumper arrangement (10). The bumper arrangement includes a bumper member (14) that is connected to the mounting component (18) by a pivot mechanism. The frame (12) allows for translational movement of the bumper member (14) with respect to the vehicle. The bumper member (14) has an end. While not shown, the vehicle (T) has a hood that moves independently of the bumper arrangement (10).

Art Unit: 3612

3. Claims 49-52 are rejected under 35 U.S.C. 102(b) as being anticipated by Buchanan (2,672,363).

Buchanan discloses a first bumper member (10) pivotally connected to end sections (11,12).

The axis of rotation is parallel to the axis of the vehicle wheels. The connection between the first and second bumper members must be detached to allow pivoting.

Allowable Subject Matter

4. Claims 1-6 and 40-48 are allowed.
5. Claims 9, 10, 14-20, 22-24, 26-28, 30-32, 34-36, 38, and 39 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.
6. Claim 29 would be allowable if rewritten to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action and to include all of the limitations of the base claim and any intervening claims.
